## **TERMS AND CONDITIONS**

### **CONSIGNORS**

All consignments must have a new halter and lead rope otherwise the sale committee will supply one and charge the seller for the cost. All consignors are responsible for their animal up until the gavel falls - after which the buyer takes full responsibility. The sale committee at the Canadian Hackney and Morgan Sale have the right to reject any horse or pony due to but not limited to unsoundness and poor quality.

All buyers are asked to protect your own horse/pony as there will be NO RESERVES and no NO SALES. Consignors recommend your horses/ponies as you would wish to buy them.

### **BUYERS**

Ages, heights, markings, and physical conditions are approx. and not guaranteed. It is the responsibility and obligation of the buyers to examine the animal before they bid, as all sales are final. In case of typographical error the pedigree reader will announce them, which will then take place over the printed catalog. Buyers are therefore cautioned to pay attention to all the announcements. When the gavel falls the last bidder assumes full responsibility of the animal. It is then your horse or pony. After the animal leaves the premises there will be no returns on the horse or pony.

### **PAYMENTS**

All tack, horses, and ponies MUST be paid in full before leaving the grounds by CASH or CHEQUE. All parties unknown to the sale committee of the Canadian Hackney & Morgan Sale MUST have a letter of credit from the bank if paying by cheque.

**All cheques are to be made payable to  
Canadian Hackney and Morgan Sale**

### **LIABILITIES**

Everyone is urged to use extreme caution and care while attending the sale. The Canadian Hackney & Morgan Sale and all those associated with the sale in anyway shall not be liable for any injuries/accidents sustained by anyone attending the sale. All parties entering the grounds where the sale is held do so at your own risk and further agree that the organization responsible for the sale is hereby released from any liability or responsibility for any injuries/accidents sustained by them during the attendance of the sale and its related activities from any case whatsoever.
