NEW PAINT BOOTH JUST ADDED!

D&S DOORS HAS NOW BEEN IN BUSINESS SINCE 2000

We have now added a paint booth to better please our customers. Of course, our utmost priority is to offer a high quality paint and paint job to be of great satisfaction to our customers. Our paint has a 3 year warranty under normal wear and tear and is a Urathane with a hardener, thus giving the finished product a longer life span.

D&S DOOR SALES NOW OFFERS ALL OF THE MAST METAL PAINT COLORS, with the ability to custom tint and color you prefer. We have a 14-point operation to ensure the highest quality for our customers. Our new spray booth is top quality for our two-part PPG two-part Polyurethane Paint, which is one of the most durable in the business, with UV, mar, chemical resistance, and excellent exterior durability.

No paint required! This ready-to-use pre-painted white frame is long lasting and knot-free. With its strong screw holding power this frame will maintain its integrity today and tomorrow!

plastpro

THE DOOR OF BEAUTY AND INNOVATION

Full length composite exterior top and bottom rails prevent any water penetration and enhance screw holding ability.

Impact resistant, reinforced lip with deep embossment creates beautiful shadow lines and will not split, warp, dent or rust.

Full length composite stiles prevent water infiltration and enhance screw holding power.

Full length LVL block for strength and durability resists more stability in multi-point hardware.

100% Composite poly-ber frame is insect resistant, if not rot or split.

A photograph of the Byler's Harness Shop storefront. The building is a long, single-story structure with a grey metal roof and light-colored siding. A covered porch area with wooden posts runs along the front. Various harnesses and equipment are visible in the display area. To the right, a tall wooden signpost holds a sign that reads "BYLER'S HARNESS SHOP" and "MAKERS OF QUALITY HARNESS SINCE 1955". A harness is hanging from the top of the signpost. The sky is clear and blue.

Successful projects and happy clients you can trust.

DID YOU KNOW?

In the past year a new solar system was completed every 84 seconds? In the USA, solar power production has increased 4,000% in just 10 years. But we're not maxed out just yet. Every hour, enough sunlight hits the earth's surface to energize the planet for an entire year; there's still room for your solar system!

What can we power for you? Call today for your free quote!

Your **PONIES** Deserve Recognition

At USPA, we recognize the dedication and effort you invest in your stable—from developing your equine program to promoting your ponies, even when they are crossbred. We invite you to consider partnering with us as we assist in promoting, identifying, and advancing your breed. USPA believes your work is worthy of recognition and branding

FOR GENERATIONS TO COME.

As an open registry, USPA welcomes personal ponies and breeding stock, with the minimum conditions that they stand under 60 inches in height and are microchipped or DNAd.

To order a registry packet write or call us at USPA.
