HORSE HEALTH REQUIREMENTS

All horses must have flu, rhino, and tetanus shots within the last 6 months and no later than 7 days prior to the sale. This must be included on your health papers signed by your vet. Each horse must have a negative coggins test within 1 year of sale and an interstate health paper within 30 days of sale.

NOTE: Canadian horses must have International Health papers for transport between countries.

If your mare has a foal, the foal must have a Coggins also to be eligible for Canada.

ATTENTION CANADIANS! The federal vet will be on grounds Saturday afternoon for Canadian buyers.

All mares sold vet checked in foal, if questionable, must be checked at the buyer's expense before leaving the fairgrounds. If found not to be in foal, it will be at the seller's expense. All mares not vet checked in foal will be assumed to be open.

HAY, BEDDING AND FEED

All consignors are responsible for their own feed and hay. First bedding will be provided.

REGISTRATION

The sale requires that all original registrations and transfers be in place before the animal goes into the sale ring. Catalog number of the horse is the sale number. **BUYERS: ALL SALES ARE FINAL.** The seller of the horse guarantees the identity of each animal as it appears on the registration certificate. All Dutch Harness horses with ADHHA and KWPN papers will be transferred to the person indicated on the sales slip. All other breeds will not be transferred. Cost to transfer ownership of the consignments to new owners will be paid by the seller. Title passes at the fall of the auctioneer's hammer at which time all risks and responsibility for the horse passes to the buyer.

WARRANTIES

Ages, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he bids as all sales will be final. In case typographical errors or other errors are discovered, the auctioneer will announce them, which will take precedence over the printed catalog. Buyers are therefore cautioned to pay attention to the auctioneer announcements.

GUARANTEES

No guarantees whatsoever, expressed or implied, are made by the sale committee, the auctioneers, pedigree readers, bid spotters, or anyone associated with the Buckeye Dutch Harness and Driving Horse Sale (BDHDHS), as to title, quality, unsoundness or soundness of any consignments. Presentations given in writing by the consignor to the sale committee will be announced at the time of sale as though by the consignor. Any claims made based upon said presentation, guarantees or omissions shall be made against the consignor only and not the sale committee or any persons related to the sale. Seller's statements of soundness or unsoundness will be announced at sale.

TERMS

All consignments must have a new halter and lead rope, otherwise the sale committee will supply one and charge the seller for the cost. No horse will be allowed to leave the grounds without a checkout slip indicating full payment. All horses must be removed from the barns by midnight Saturday evening, The day of sale unless other arrangements are made with the sale committee. All sellers are responsible for their horses up until the time that the gavel falls, after which the buyer is in full responsibility.

The sale committee of the BDHDHS reserves the right to reject any horses for any reason including, but not limited to: unsoundness, poor condition and improper documentation of registration or health papers.

PAYMENT

Horses must be paid before leaving auction grounds via cash, approved check, or we will also accept all major credit cards with a 4% premium.

COMMISSION RATES

\$250.00 per horse. No sale same.
